

## Parker Rust-Proof

We are here for our customers. While our thoughts are with all members of the worldwide community impacted by the devastating consequences of COVID-19, we want you to know that we are remaining open to serve those of you with urgent needs. As a critical supplier to military, freight, and power generation industries, we have an obligation to service our clients in need. We are following all pertinent directives and best practice guidelines to protect the safety of our employees and business associates put forth by city, state, and federal authorities and remain committed to providing excellent quality and fast service that is needed every day and especially at this time. Our dock is open weekdays from 7am-3pm

As long as there is a need, we will be here. Together as a team and a nation, we will get through this.
